Tel: 514-6237488; Email: nazmul.alam.ph@gmail.com

CAREER HIGHLIGHTS

- Academic training triangulating Biology, Epidemiology and Global Health
- Track record in teaching Global Health, Epidemiology and Research Methods
- Recipient of multiple competitive research grants
- Recipient of several awards and fellowships for academic excellence

EDUCATION

Doctor of Public Health (Dr.PH)	International Health, School of Public Health University of Alabama at Birmingham, USA
Masters of Public Health (MPH)	Epidemiology, School of Public Health University of Alabama at Birmingham, USA
Master of Science (MSc)	Microbiology, University of Dhaka Dhaka, Bangladesh
Bachelor of Science (BSc)	Biological Sciences, University of Dhaka Dhaka, Bangladesh

ACADEMIC APPOINTMENTS

Associate Professor 2018 -	: Department of Public Health, Asian University for Women Chittagong, Bangladesh.
Assistant Professor 2016 - 2018	: Department of Public Health, Asian University for Women Chittagong, Bangladesh.
Adjunct A/Professor 2014 - 2016	Département de médecine sociale et préventive, École de santé publique Université de Montréal, Canada.
Adjunct Professor 2012- 2016	Department of Public Health, American International University (AIUB) Dhaka, Bangladesh.

RESEARCH APPOINTMENTS

Researcher 4/2014 - 6/2016	University of Montreal Hospital Research Centre (CRCHUM), Montreal, Canada
Postdoctoral Fellow 5/2012 -3/2014	Département de médecine sociale et préventive, École de santé publique Université de Montréal, Canada. Mentor: Dr. Pierre Fournier
Associate Scientist 01/2012-43/2014	Centre for Reproductive Health, International Centre for Diarrheal Diseases Research, Bangladesh (ICDDR,B) Dhaka, Bangladesh.
Epidemiologist 04/2011 - 12/2011	Centre for Reproductive Health,International Centre for Diarrheal Diseases Research, Bangladesh (ICDDR,B) Dhaka, Bangladesh, Dhaka, Bangladesh,

Senior Res Investigator Reproductive Health Unit, Public Health Division, ICDDR,B,
01/2005-03/2011 Dhaka, Bangladesh.

Research Assistant Center for Aging, School of Medicine, University of Alabama at
12/2005-06/2006 Birmingham, USA

COURSES TAUGHT

Course Instructor:

- Asian University for Women:** *IDEA student rating evaluation* available for all courses
- **Introduction to Epidemiology:** Fall semester of 2016, 2017, 2018, 2019 (class size-29, 36, 39, 31, respectively)
 - **Research Methods in Public Health:** spring semester of 2017, 2018, 2019 (class size-26, 28, 32, respectively).
 - **Global Health Challenges:** Fall semester of 2016, 2017, 2018, 2019 (class size-26, 28, 29, 29, respectively)
 - **Infectious and Tropical Diseases Epidemiology:** Spring of 2019 class size-30
 - **Systematic Review and Meta-analysis,** in Spring 2017, class size-18
 - **Principles of Biostatistics,** in Fall 2016, class size-38
 - **Senior Seminar,** class size-12, 16

American International University of Bangladesh:

- *Applied Epidemiology,* class size-18

North South University

- *Environmental Health,* class size-20

STUDENT SERVICES

Graduate and post-graduate:

- Co-Director (2015-): Stella Carine Tiné, PhD candidate in Global Health, École de santé publique de l'Université de Montréal.

Undergraduate research supervisor and advising:

- Supervisor of 37 (12 in 2017, 12 in 2018, 13 in 2019) undergrad students conducting **senior thesis projects**, helped them in project planning, data collection, data analysis, thesis writing.
- Advisor of 70 (2017, 2018) undergrad students majoring in Public Health, Asian University for Women.

Supervisor of international Student Internship:

- Prema Ray (2010) MPH student, University of California at San Francisco. Internship at icddr,b
- David Silvestry (2011) Graduate student, Vanderbilt University, Nashville, TN, USA. 2011. Research project implementation among medical and nursing students in Bangladesh.
- Janvier Ndaruhutse (2018) MSc students, University of Montreal, Montreal, Canada. Project: Analyse des barrières d'implémentation du projet pilote des pilules contraceptives orales à l'Upazila de Sarankhola au Bangladesh.

Thesis Examiner:

- External examiner (2016): Fadima I. K. YAYA BOCOUM, doctoral thesis titled ‘Feasibility of introducing an onsite test for syphilis in the package of antenatal care at the rural primary health care level in Burkina Faso’. University of Western Cape, Cape Town South Africa
- Jury of Master’s Thesis (2016): Soliba Julien Manga, Cartographie en santé mondiale de la ville de Montréal, École de santé publique de l’Université de Montréal

ACADEMIC SERVICES

- Coordinator, Public Health Studies, Asian University for Women
- Head, Centre for Teaching and Scholarship at Asian University for Women (2018-)
- Chair, Research and Ethics Standing committee at Asian University for Women (2018-)
- Member, Academic Council at AUW (2016-)

FELLOWSHIPS AND AWARDS

- Global Health Research Capacity Strengthening Program (GHR-CAPS) fellowship for post-doctoral fellowship at the University of Montreal, Canada, 2012.
- AIDS International Training and Research Program (AITRP) fellowship for Doctor of Public Health (DrPH) at the University of Alabama at Birmingham in 2004.
- AIDS International Training and Research Program (AITRP) fellowship for Masters of Public Health (MPH) at the University of Alabama at Birmingham in 2000.

RESEARCH GRANTS

Erasmus+ grant with BRAC School of Public Health: EU 999,500. 07/2018 to 06/2022

Project: Transformative Competency-Based Public Health Education for Professional Employability in Bangladesh’s Health Sector.

Role: Co-Applicant

Queen Elizabeth II Diamond Jubilee Scholarship Grant: University of Montreal CAD 500,000 04/2015 to 04/2018.

Project: Partnerships for global health leadership in a bilingual Commonwealth.

Role: Co-Applicant

Grand Challenge Canada Stars in Global Health CAD 113,000 4/2013 to 12/2014

Project: Community operated motorized three wheeler van for rapid transportation of pregnant women in rural areas for emergency obstetric care in Bangladesh and Burkina Faso.

Role: Principal Investigator

Global Health Research Capacity Strengthening Program CAD 19,000 3/2013 to 12/2014

Project: North-South research partnership development: needs assessment for HIV prevention intervention for migrants workers in Bangladesh

Role: Principal Investigator

Global Fund for AIDS, TB and Malaria-Sub-recipient US\$ 59,000 06/2010 to 03/2012

Project: Measuring the effects of changes in the Drop-in-Centre operations and changes in advocacy strategies among female sex workers in Dhaka.

Role: Principal Investigator

ICDDR,B PhD returnee mentorship grant US\$25,000 10/2009 to 09/2010

Project: Improving recognition, referral, and prevention practices for sexually transmitted infections among medicine sellers in Bangladesh.

Role: Principal Investigator

World Bank and Government of Bangladesh US\$ 90,000 07/2004 to 09/2006

Project: Evaluation of HIV/AIDS Prevention Project (HAPP): Brothel based sex workers in Bangladesh

Role: Principal Investigator

Swiss Agency for Development & Cooperation (SDC) US\$63,000 07/1999 to 11/2000

Project: Prevalence and risk factors for STDs among workers at Tejgaon truck stand of Dhaka, Bangladesh

Role: Principal Investigator

Swiss Agency for Development & Cooperation (SDC) US\$ 675,000 01/2011 to 12/2013

Project: Prevalence and risk factors of human papilloma virus infection among women in rural and urban Bangladesh. PI: Dr. Quamrun Nahar

Role: Co-Principal Investigator

Family Health International (FHI)/USAID US\$ 170,000 07/2004 to 11/2005

Project: Study to understand male reproductive and sexual behavior among men in general population in Bangladesh. PI: Dr. Peter Kim Streatfield

Role: Co-Principal Investigator

Australian Agency for International Development (AusAID) US\$104,000 01/2005-12/2006,

Project: Study to understand barriers of condom use among sex workers in Bangladesh.

PI: Dr. Peter Kim Streatfield

Role: Co-Principal Investigator

Australian Agency for International Development (AusAID) US\$102,000 07/2006- 06/2008

Project: Evaluation of partner notification for sexually transmitted infection in Bangladesh. PI: Dr. Peter Kim Streatfield

Role: Co-Principal Investigator
