## Research Interest

- I have studied two years in the field of International Relations following my research interest.
- I have developed a particular interest in religiously motivated terrorism, on which I have focused in my master's thesis.
- I would love to advance my understanding of the phenomenon, through PhD study with an expert at a remarkable institution.

## Research Experience

- 2016 Student Radicalization: A study on the private university students' in Bangladesh.

Masters degree research project, supervised by Professor Stig J. hansen. It helped me to develop in-depth knowledge of literature searching, basic social science research methodology.

## Teaching Experiences

- 2018- Working as an Instructor of World Civilizations at Asian University for Women
- 2017-2018 Worked in Cambridge curriculum school as subject teacher for Bangladesh Studies.
- 2016-2017 participated in Practical Pedagogical education at Norwegian University of Science and Technology.
