

# SUMMER SCHOOL AT AUW

  
ASIAN UNIVERSITY  
FOR WOMEN

## Math & Science

July 17th - August 11th

Learn statistics, physics, public health & design thinking with instructors from Massachusetts Institute of Technology (MIT).

## Computer Coding

July 17th - August 11th

The course focus is Python and students will also learn the basics of data science, artificial intelligence & machine learning.

## Humanities

July 17th - August 11th

Learn anthropology, conflict management, ethnomethodology & participate in a theatre workshop!

## Summer School 2022

After two years away due to COVID, the AUW Summer School is back for 2022!

This year the curriculum has been expanded and programs include Journalism, Math & Science, Computer Coding, and Humanities.

From June 26th - August 18th, come to AUW and learn from renowned instructors from top institutions around the world!

## Journalism\*

June 26th - August 18th

Led by Emmy Award Winner Professor Craig Duff from Northwestern University, and leading Bangladeshi journalists.

## Who Can Attend:

AUW Summer School is open to all high school girls in Bangladesh grades 10-12, \*the Journalism course is only for AUW Undergraduates. Full and partial scholarships are available for meritorious students from schools following an international curriculum who demonstrate financial need.

## What to expect:

Classes run from 9am - 6pm everyday with two coffee breaks and a lunch break. Instruction involves lectures, lab work and extracurricular learning.
