

# **UNLOCK YOUR TRUE POTENTIAL FOR A BRIGHT FUTURE**

**2023**

**Asian University for Women  
Summer School  
4 July – 3 August**

**Dr. Selim Reza**

Director of Summer School  
Asian University for Women

'All of our students are precious to us. At AUW, we celebrate the uniqueness of each and every student.

We work hard to ensure that everyone is valued and able to realize their true potential.

Our institution cherishes creativity, thrives on young women's talent, and prepares our students for leadership and advocacy roles in their communities.

A multicultural student community at AUW will expose you to different elements of Asian culture while making your stay meaningful and enjoyable.

Taking care of your well-being at AUW is our responsibility. Our community fosters a nurturing climate so students can feel at home.

I can assure you that you will quickly become part of AUW family, making life-long friendships and forging memories that will last a lifetime!'

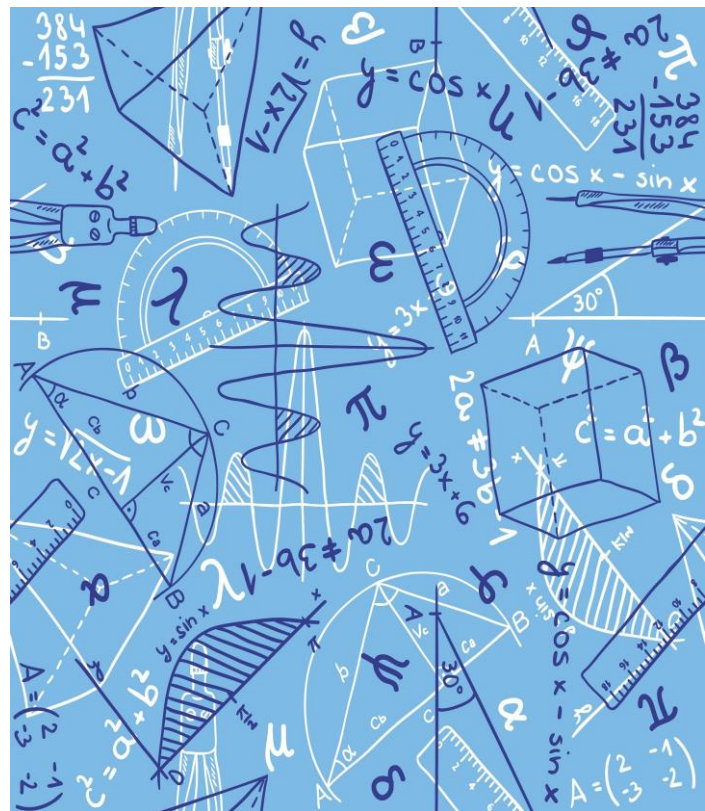

Asian University for Women Summer School 2023 is a wonderful opportunity for the talented students from SSC/HSC level. It helps students build confidence, improve academic foundations and develop new skills outside the textbooks. In addition to hands-on learning experiences in challenging science and mathematics courses, students will also enjoy outdoor escorted excursions and engage in multicultural social programs on AUW campus.

## Why AUW Summer School?

- Study and live on the world-class AUW campus and make friends from around the globe.
- Build confidence and improve your English language fluency and learn experimental science skills.
- Develop investigative science skills exploring a range of academically challenging courses in a variety of disciplines taught by academics from prestigious top-ranked universities!
- Gain a practical and hands-on learning experience in laboratories.
- Expand on your current studies and explore the beauty of a port city set amongst rolling green hills, ancient architecture and interesting religious sites.

# 10 GOOD REASONS to join the AUW family

1. Fully equipped modern classrooms, laboratories and IT facilities
2. Rich cultural diversity on a small, safe and secluded campus
3. Healthy, delicious, and balanced meals from a variety of cuisines
4. Opportunities for learning English from native speakers
5. Small class size
6. International faculty from more than 10+ countries
7. All-female learning environment
8. Health and wellness center
9. Friendly staff and support services
10. A vibrant student community

## Comfort, safety and practicality in a welcoming residential community

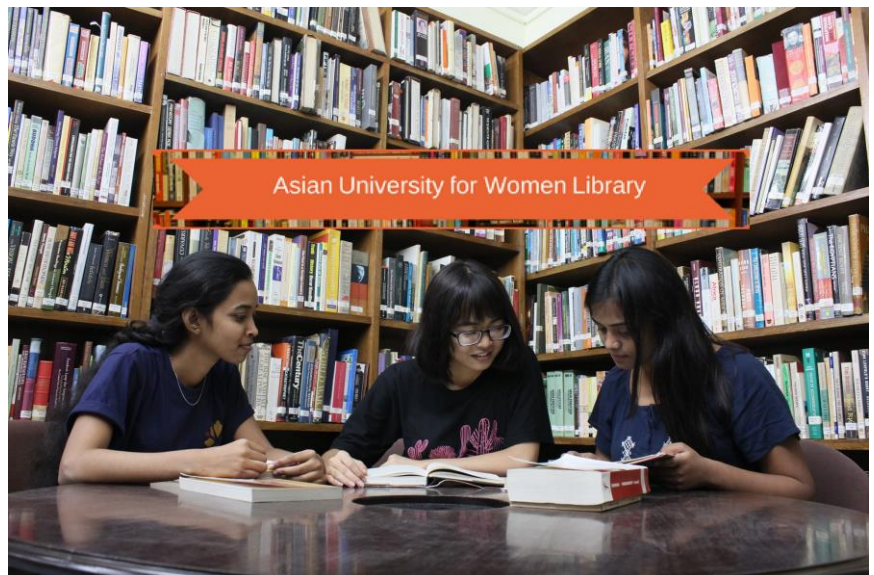

At AUW, students are valued as an individual. AUW campus provides a close-knit community feel for students and a peaceful environment where they study and live. Accommodation facilities include:

- Wi-Fi service in every room throughout the residential hostel building
- A shared modern kitchen and bathroom facilities
- Separate study desk and locker
- Clean bedding
- Meal package includes breakfast, lunch and dinner

## Library

AUW has a world class library, staffed by a friendly and dedicated team that is always there to help you. As a summer school student you will be able to enjoy all the benefits of our library resources including,

-  Thousands of online and offline books, magazines and journals
-  Quiet and cosy study zone
