INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Asian University for Women (AUW) Support Foundation

Opinion

We have audited the accompanying financial statements of Asian University for Women (AUW) Support Foundation (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Asian University for Women (AUW) Support Foundation as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Asian University for Women (AUW) Support Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Asian University for Women (AUW) Support Foundation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Asian University for Women (AUW) Support Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Asian University for Women (AUW) Support Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

ASIAN UNIVERSITY FOR WOMEN (AUW) SUPPORT FOUNDATION**NOTES TO FINANCIAL STATEMENTS****JUNE 30, 2022****Note 1 - Organization and Summary of Significant Accounting Policies****a - Organization**

Asian University for Women (AUW) Support Foundation (the "Organization") is a 501(c)(3) United States nonprofit located in Cambridge, Massachusetts. Incorporated in 2001, the Organization is the principal agency responsible for long-term strategy, planning and mobilization of resources for the Asian University for Women (the "University"). The University is a liberal arts university located in Chittagong, Bangladesh, which educates talented women from across Asia and the Middle East to be the region's next generation of women leaders. As the majority of its students are on full scholarship, the University requires significant philanthropic support, which the Organization provides. More information on the Organization can be found here: www.asian-university.org

b - Cash and Cash Equivalents

The Organization considers all short-term highly-liquid investments, such as money market funds and highly-liquid debt instruments, purchased with a maturity of three months or less, to be cash equivalents, except for cash and short-term investments managed by the Organization as part of their long-term investment strategies.

c - Contributions and Unconditional Promises to Give

The Organization recognizes contributions when cash, securities or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier and a right of return, are not recognized until the conditions on which they depend have been met.

Contributions are recognized when the donor makes a promise to give to the Organization, that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contribution is recognized. All other donor restricted contributions are reported as increases in net assets with donor restrictions depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

The Organization uses the allowance method to determine uncollectible promises to give. The allowance, when necessary, is based on prior years' experience and management's analysis of specific promises made.

ASIAN UNIVERSITY FOR WOMEN (AUW) SUPPORT FOUNDATION**NOTES TO FINANCIAL STATEMENTS****JUNE 30, 2022****Note 1 - Organization and Summary of Significant Accounting Policies (continued)****d - Investments and Fair Value Measurements**

The Organization reflects investments at fair value in the statement of financial position. Interest, dividends, and gains and losses on investments are reflected in the statement of activities as increases and decreases in net assets without donor restrictions unless their use is restricted by donor stipulation or by law. Gains and other investment income that are limited to specific uses by donor-imposed restrictions are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which gains and other investment income are recognized. All other donor restricted gains and other investment income are reported as increases in net assets with donor restrictions. When a net asset expires, net assets with donor restrictions are reclassified to net assets without donor restrictions. Fair value is an estimate of the exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants (i.e., the exit price at the measurement date). The Organization is required to use a fair value hierarchy that prioritizes inputs to valuation techniques used to measure fair value into three levels.

Unadjusted quoted prices in active markets for identical assets and liabilities are referred to as Level 1 inputs. Inputs other than quoted market prices that are observable, either directly or indirectly and reasonably available are referred to as Level 2 inputs. Observable inputs reflect the assumptions market participants would use in pricing the asset or liability and are developed based on market data obtained from sources independent of the Organization. Unobservable inputs reflect the assumptions developed based on available information about what market participants would use in valuing the asset or liability and are referred to as Level 3 inputs.

An asset or liability's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Availability of observable inputs can vary and is affected by a variety of factors.

Investments in money market mutual funds are classified within Level 1 of the fair value hierarchy. Fair value is determined using quoted market values.

e - Property and Equipment

Property and equipment acquired are recorded at cost and are being depreciated using the straight-line method over the useful life of the assets. Property and equipment purchased for the benefit of Asia University for Women have been expensed.

ASIAN UNIVERSITY FOR WOMEN (AUW) SUPPORT FOUNDATION**NOTES TO FINANCIAL STATEMENTS****JUNE 30, 2022****Note 1 - Organization and Summary of Significant Accounting Policies (continued)****f - Financial Statement Presentation**

The financial statements of the Organization have been prepared in accordance with accepted accounting principles generally accepted in the United States of America (U.S. GAAP), which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

Net Assets Without Donor Restrictions

Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and Board of Directors.

Net Assets With Donor Restrictions

Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

g - Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

h - Tax Status

Asian University for Women (AUW) Support Foundation is a not-for-profit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and has been designated as an organization which is not a private foundation.

i - Functional Expenses

The financial statements include certain categories of expenses that are attributable to more than one program or supporting function. Expenses are applied directly to programs where applicable or allocated on a reasonable and consistent basis. The expenses of the Organization that are allocated include salaries, payroll taxes and benefits, insurance, occupancy, professional fees and other administrative costs which are allocated based upon estimates of time and effort. A substantial amount of the Organization's expenses represents grants to the University and are directly related to its program activities which are made up of undergraduate, access and pre-access academy programs. Program service expenses as provided herein do not include other expenditures funded directly by the University from (i) tuition income and (ii) contributions directly received from entities other than the Organization. The University's program expenses include salaries including related taxes and benefits, occupancy and maintenance costs, costs directly related to student affairs including food expenditures, insurance and professional fees, and other general and administrative expenses.

ASIAN UNIVERSITY FOR WOMEN (AUW) SUPPORT FOUNDATION**NOTES TO FINANCIAL STATEMENTS****JUNE 30, 2022****Note 1 - Organization and Summary of Significant Accounting Policies (continued)****j - New Accounting Standard**

For 2022, the Organization adopted Financial Accounting Standards Board (FASB) Accounting Standard Update (ASU) 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*, which requires nonprofit entities to present contributed nonfinancial assets as a separate line item in the statement of activities, apart from contributions of cash or other financial assets. The standard also increases the disclosure requirements around contributed nonfinancial assets, including disaggregating by category the types of contributed nonfinancial assets a nonprofit entity has received. Adoption of this standard did not have a significant impact on the financial statements, with the exception of increased disclosure.

k - Subsequent Events

The Organization has evaluated subsequent events through May 18, 2023, the date that the financial statements are considered available to be issued.

Note 2 - Information Regarding Liquidity and Availability

The Organization operates with a balanced budget for each fiscal year based on the revenues expected to be available to fund anticipated expenses. A substantial amount of annual revenue is comprised of contributions and grants with donor restrictions. The Organization considers general expenditures to consist of all expenses related to ongoing program activities, and the expenses related to management and general activities undertaken to support those services.

The Organization regularly monitors liquidity to meet its operating needs and other commitments and obligations while seeking to maximize the investment of its available funds. Management prepares regular cash flow projections to determine liquidity needs and has a policy to maintain liquid financial assets on an ongoing basis sufficient to cover ninety days of general expenditures.

Dividend and interest income	\$ 162,106
Net realized and unrealized losses	<u>(757,373)</u>
	<u><u>\$(595,267)</u></u>

Note 6 - Endowment Funds

Consistent with Massachusetts Not-For-Profit Corporation Law and the Massachusetts Uniform Prudent Management of Institutional Funds Act ("MA UPMIFA"), the Organization classifies as net assets with donor restrictions, perpetual in nature (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts donated to the permanent endowment and (c) accumulations to the permanent endowment made in accordance with the direction of any applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified as perpetual in nature is classified as subject to spending policy and appropriation until those amounts are appropriated for expenditure by the Organization.

In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (i) the duration and preservation of the endowment fund;
- (ii) the purposes of the Organization and the endowment fund;
- (iii) general economic conditions;
- (iv) the possible effect of inflation or deflation;
- (v) the expected total return from income and the appreciation of investments
- (vi) other resources of the Organization;
- (vii) where appropriate and circumstances would otherwise warrant, alternatives to expenditure of the endowment fund, giving due consideration to the effect that such alternatives may have on the Organization; and
- (viii) the investment policy of the Organization

ASIAN UNIVERSITY FOR WOMEN (AUW) SUPPORT FOUNDATION

The value of donated goods and services are provided by the respective donors, based on rates typically charged for the goods and services.

ASIAN UNIVERSITY FOR WOMEN (AUW) SUPPORT FOUNDATION**NOTES TO FINANCIAL STATEMENTS****JUNE 30, 2022****Note 9 - Commitment and Contingency**

- a - The Organization sponsors a defined contribution plan covering substantially all of its employees who meet certain eligibility requirements. The Organization, contributes a fixed percentage, as defined in various agreements, of salaries for all participants. During the year ended June 30, 2022, the Organization made contributions to the plan of approximately \$42,707.
- b - Government supported programs are subject to audit by the applicable granting agency.

Note 10 - Concentrations

- a - The Organization maintains its cash and certain of its investment balances in financial institutions located in Massachusetts. The balances, at times, may exceed federally insured limits.
- b - For the year ended June 30, 2022, approximately 37% of contributions were from one individual and one foundation.
- c - As of June 30, 2022, 53% of unconditional promises to give were due from one individual and one foundation.

Note 11 - Prior Period Adjustment

Net assets with donor restrictions and net assets without donor restrictions as of July 1, 2021 were restated to reclassify certain contributions without donor restrictions which were recorded as contributions with donor restrictions.
