

**Expression of Interest (EOI)
For Consultancy Services in Developing Bill of Quantities (BOQ) for 5 MW Substation**

Asian University for Women (AUW) invites **Expressions of Interest (EOI)** from qualified and experienced consulting firms to assist in preparing a comprehensive **Bill of Quantities (BOQ)** for the planned **5 MW Substation Project** at AUW.

Scope of Work

The selected consultant will be responsible for:

- Conducting site visits and assessments as required.
- Reviewing design documents, technical requirements, and specifications.
- Assisting AUW in developing a detailed and accurate BOQ for the 5 MW substation, including civil, electrical, and mechanical components.
- Providing technical inputs to ensure compliance with applicable codes, standards, and best practices.

Eligibility/Requirements

Interested vendors/consultants must provide the following:

1. Company profile with valid Trade License, TIN, BIN and Tax Return.
2. Experience in similar substation or power-related BOQ/consultancy work.
3. List of key technical experts/engineers available for the assignment.
4. Tentative timeline and methodology for developing the BOQ.
5. At least two references from previous relevant projects.

Submission Details

Interested parties are requested to submit their EOIs with supporting documents to the undersigned at tender126@auw.edu.bd no later than **30th September 2025**. Shortlisted firms will be invited for further discussions and possible engagement.
