**Eligibility and Terms & Conditions:**

- The scholarship is only applicable to MA in Education students.
- The AUW scholarship scheme is open to all eligible Domestic Students and International Students from selected countries based on merit. Students must maintain at least a CGPA of 3 each semester to continue with the scholarship for the next semester.
- If any candidate fulfils **all three of the eligibility criteria**, they can avail themselves of a 60% scholarship.

For those who are not eligible for the merit-based scholarship, they can apply for financial aid. To apply for financial aid, applicants must submit one or more of the following documents:

- Bank statements
- Tax return documents
- Salary certificates of salaried guardian(s)
- Information from a third-party source(s) as needed
- Other document(s)/information as the committee deems necessary.

In this regard, the university will consider aspects of a student's financial background, including:

- Family composition
- Education level of the parent(s)
- Job(s) and profession(s) of the earning members of the family
- The level of income of the parent(s)/guardian(s) (i.e., salary, business income, investment income, rental income, total household income, etc.)
- The earnings of any supporting member(s) of the family (i.e., siblings)
- Number of non-earning dependents
- Movable and immovable properties in terms of market value at the present rates
- Community's comment on the socio-economic condition/status of the family
- The school the student and/or her siblings attended prior to coming to AUW in terms of the educational costs for attending those schools
- Socio-economic situation of the geographical area where the student's family resides
- Luxury items owned by the student and her family.
